

**WINATS 2024 NSA - MASTER CLASS**  
**with Rebecca Schorsch**  
**Friday, Nov 1, 3:15pm-4:15pm**  
**Recital Hall**

**INSTRUCTIONS**

Every singer on the list (below) who is available at 3:00pm should come to the Recital Hall and identify themselves to me.

Ifs...

- the singer knows they are in the Semi-Finals *during* the Master Class hour, they should state that and they will be removed from the singer list.
- the singer's Semi-Final round begins *after* 4:15pm, they should remain to be in the singer pool for the Master Class.
- the singer has *not* seen Prelim results and doesn't know if they have advanced, they should *not come to the Recital Hall until they've seen the Semi schedule* and determined that they *are free* during the Master Class hour. They should speak to me when they arrive.

After Ms. Schorsch is introduced,

I will ask for Singer A to come to the stage. If Singer A is not available, I will then continue down the list until I arrive at the letter/name of a singer who is present. That singer will come to the stage, confer with Ms. Schorsch about what to sing (some have offered selections in 2 categories - one should be chosen) be introduced, and sing.

I will then continue down the list from that point to the next singer present.

We wish we could hear everyone! Thanks to all for preparation and willingness to perform! Teacher of students who do perform will be announced at the end of the Master Class.
